Integrated Wealth Management Expands To Palm Desert

Jim Casey, President and CEO of **Integrated Wealth Management**, announced today they have opened offices in Palm Desert located at One El Paseo East Plaza, complimenting his Palm Springs office building at 787 North Palm Canyon Road and the Los Angeles based headquarters.

Heading the Palm Desert team are **Reesa Manning** and **Mark Hayek** as Vice Presidents and Financial Advisors. Casey said, "I am so pleased to have Reesa and Mark leading our Palm Desert team, as they bring great experience and knowledge to our clients, as well as our existing group of first class executives".

In these difficult times Integrated Wealth Management continues to grow its business and recently announced its 13th consecutive year of revenue growth. *Wealth Manager Magazine* has just named Casey and Integrated Wealth Management as one of the top ranking wealth management companies in the country for the 5th consecutive year.
